

## Manni-Plex® Ultra Turf

# Build Stronger, Healthier Turf

Applying the right combination of nutrients produces outstanding greens and tees. MANNI-PLEX foliar nutrients were designed to deliver nutrition quickly and efficiently. Their small molecular size and weight helps get more nutrition into turf growth points for better results.

### Key Benefits of BRANDT MANNI-PLEX ULTRA TURF

#### Efficiency

- Quickly supplies readily available N, K, Mg, B, Cu, Fe, Mn and Mo to turf
- Proprietary formulation coats leaves and sticks to the surface, making nutrients available longer

#### Effectiveness

- Builds strong, healthy and vibrant turf
- Enhances root mass and growth
- Helps turf better withstand stress
- Delivers consistent results

#### Easy to Use

- Ready-to-use liquid formulation
- Compatible with most fungicides, insecticides and PGR's
- May applied using ground equipment, through fertigation or as a soil drench

Small particle size and low molecular weight allow nutrients to move to plant growth points quickly.

#### Guaranteed Analysis

Total Nitrogen (N) .....	4.00%
2.50% Nitrate nitrogen	
1.50% Urea nitrogen	
Soluble Potash (K <sub>2</sub> O) .....	2.00%
Magnesium (Mg) .....	0.50%
0.50% Water soluble magnesium	
Boron (B) .....	0.25%
0.25% Water soluble boron	
Copper (Cu) .....	0.50%
0.50% Water soluble copper	
Iron (Fe) .....	2.00%
2.00% Water soluble iron	
Manganese (Mn) .....	0.50%
0.50% Water soluble manganese	
Molybdenum (Mo) .....	0.25%
0.25% Water soluble molybdenum	

Derived from urea ammonium nitrate, potassium nitrate, magnesium nitrate, copper nitrate, iron nitrate, manganese nitrate, sodium borate and sodium molybdate. F76

#### Application and Use

MANNI-PLEX® should be applied to actively growing plants and turf throughout the year. For best results apply early morning or late evening.

#### Turf (Commercial):

Green & Tees: 2-4 fl oz per 1,000 sq ft.

Fairways & Sports Turf: 2.5-5.5 quarts per acre.

Overseeding: 2 fl oz per 1,000 sq ft after germination.

Sod Installation: 2 fl oz per 1,000 sq ft at installation.

For more information, see BRANDT's Summer/Winter Success Spray programs and always read full labels before use.
