

Manni-Plex[®] Mo

Foliar Molybdenum Solution

Guaranteed Analysis

Molybdenum (Mo).....	8.0%
8.0% Water soluble molybdenum	

Derived from sodium molybdate.

F76

General Information

MANNI-PLEX Mo is designed for application to all field, row, vegetable, fruit, tree and vine crops for the prevention of molybdenum deficiencies when used as part of a balanced fertility program.

Rate Recommendations

Foliar Application:

Field, Row and Vegetable Crops: Apply 4-8 fl oz per acre throughout the growing season. Multiple applications may be needed to correct deficiencies once they occur.

Fruit, Tree and Vine Crops: Apply 6-12 fl oz per acre throughout the growing season. Multiple applications may be needed to correct deficiencies once they occur.

Seed Treatment: Apply 3.5-5 fl oz per 100 pounds of seed. Compatible with most fungicide seed treatments; jar test before using. Do not use treated seed for food, feed or oil purposes.

Soil Application: Apply via drip or sprinkler irrigation at a rate of 16-32 fl oz per acre.

Optimum rate of application will vary depending on soil properties (such as pH, organic matter content, texture), weather conditions, time of year, general crop health and crop species. For best results, follow soil test or plant analysis recommendation.

Net Contents: 2.5 gallons (9.46 liters)

Density: 10.2 lb/gal @ 68°F

Net Weight: 25.2 lb (11.4 kg)

Packaged: 2 x 2.5 gallons (2 x 9.46 liters)

Mixing and Handling Instructions

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

ATTENTION: The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals..

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the container or label.

Precautionary Statements: Avoid release to the environment.

First Aid: Wash hands after handling. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local regulations.
