

# Brandt Green Toes SS

## Spray Solution and Hydroseeding Colorant

### Product Data Bulletin

## Features

- Great for use with herbicides, fungicides and pesticides
- Eliminates overlapping or skipping of areas
- May be used with all types of spray equipment
- May be used to enhance hydroseeding

BRANDT GREEN TOES SS is a super concentrated, professional applicator's grade temporary colorant solution designed to be used to mark commercial spray solutions. The use of BRANDT GREEN TOES SS eliminates overlapping or skipping of areas. BRANDT GREEN TOES SS is designed for use on rights of ways, golf courses, parks, or any other turf or commercial spray application. BRANDT GREEN TOES SS may also be used to enhance hydroseeding or straw/hay tacking mulch application.

## Application Recommendations

### Turf Application

BRANDT GREEN TOES SS may be added to water based spray solutions at the rate of 6 to 10 ounces per each 100 gallons of spray solutions. Conditions may vary, and adjustments to these ratios may be advised.

### Hydroseeding and Mulch Slurries

To enhance visibility of hydroseeding and mulch slurries, add 1 bottle (quart) to slurry tank to color 500-800 gallons. Add BRANDT GREEN TOES SS before adding mulch to the tank.

**CAUTION:** Harmful if swallowed. Avoid contact with skin. Avoid breathing spray mist. Wash hands after using. Causes eye irritation. Avoid contact with eyes. In case of contact, flush eyes with water for at least 10 minutes and get medical attention.

### Storage

Do not store at low temperatures as crystallization may occur.

### Product Disposal

Do not contaminate water, food or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

### Container Disposal

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.
