

BRANDT® Blue Lagoon®

Blue Pond, Lake and Fountain Dye

BRANDT BLUE LAGOON is a safe and non-toxic colorant product designed to create natural, healthy looking environments in lakes, ponds, water hazards, or large fountains. Water treated with BRANDT BLUE LAGOON is a brilliant, natural color that does not appear to be artificial. Safe with fish, waterfowl and livestock, treated water may be used for irrigation, swimming and other recreational sports.

BRANDT BLUE LAGOON is a bird blocker formulation designed to darken water sufficiently to protect against fish “poaching” in aquacultural environments.

The use of BRANDT BLUE LAGOON is simple and economical. Used as directed, BRANDT BLUE LAGOON is safe for use in irrigation ponds, without discoloring crops, turf, concrete, or other surfaces. BRANDT BLUE LAGOON will not disrupt fishing, swimming or irrigation once product has dispersed. However, do not swim, fish or irrigate from ponds treated with BRANDT BLUE LAGOON until the product has thoroughly dispersed.

BRANDT Blue Lagoon Advantages

- Easy to apply
- Compatible with most herbicides and algacides
- Bird Blocker formulation prevents fish “poaching”
- Non-toxic, harmless to fish and wildlife
- Economical and longer lasting

Three Great Choices

- BRANDT BLUE LAGOON liquid concentrate
- BRANDT BLUE LAGOON SS super concentrate
- BRANDT BLUE LAGOON W.S.B. water soluble bags

Application and Use

BRANDT BLUE LAGOON should be applied at the rate of 1 gallon per 1 surface acre of water 4-6 feet deep. Add BRANDT BLUE LAGOON to ponds from several different locations to insure even dispersion. Wear rubber gloves when applying BRANDT BLUE LAGOON to protect hands from staining.

Product	Per 4-6 acre/feet	Per 5,000 cu meter
BRANDT BLUE LAGOON	1 gallon	4 liters
BRANDT BLUE LAGOON SS	1 quart	1 liter
BRANDT BLUE LAGOON W.S.B.	10 bags	10 bags

CAUTION/KEEP OUT OF REACH OF CHILDREN

Avoid contact with skin. If product comes into contact with skin, wash thoroughly. In case of eye contact, wash thoroughly with clear water. If irritation persists, contact a physician. Harmful if swallowed. Do not reuse container.

Storage and Handling

Keep product closed when not in use. Store in a cool dry location. See product label for complete instructions.
