

BRANDT® SeedFlow™ Nutra

# Enhanced Seed Fluency Technology

BRANDT SeedFlow Nutra is a dry micronutrient formulation built on BRANDT SeedFlow technology. Through a functionalized graphite coating, it delivers manganese, molybdenum, iron, boron and copper directly to the seed while improving seed lubrication and flow through the planter. This supports uniform seed coverage, consistent planter performance and efficient micronutrient placement during crop establishment.

## Key Benefits of BRANDT SeedFlow Nutra

- **Improved Seed Fluency:** Functionalized graphite improves seed flow through planter systems to help reduce skips, bridging and planter downtime
- **Enhanced Seed Coverage:** Dry powder formulation promotes uniform seed coverage while reducing dust-off during handling and planting
- **Improved Nutrient Retention:** Seed encapsulation technology helps retain micronutrients on the seed surface for efficient placement at planting
- **Targeted Micronutrient Delivery:** Delivers Mn, Mo, Fe, B and Cu directly to the seed to support early root and shoot development
- **Simple Integration:** Designed for direct application in planter boxes, seed boxes and seed tenders

**Micronutrients: 3.0% Mn, 3.0% Mo, 2.0% Fe, 0.25% B, 0.25% Cu**

25% Graphite & Functionalized Graphite Blend

30% Talc

45% Metal [B, Cu Fe, Mn, Mo]-lipid complexes

**100% Total**

## Rate Recommendations:

| Crop                                     | fl oz per unit (50lbs) | fl oz per unit (100lbs) |
|------------------------------------------|------------------------|-------------------------|
| Alfalfa                                  | 2-3                    | 4-6                     |
| Corn                                     | 2-3                    | 4-6                     |
| Cotton                                   | 2-5                    | 4-10                    |
| Peanut                                   | 2-3                    | 4-6                     |
| Small Grains (Barley, Oats, Rice, Wheat) | 2-3                    | 4-6                     |
| Sorghum                                  | 2-5                    | 4-10                    |
| Soybean                                  | 2-3                    | 4-6                     |
| Sugar Beet                               | 2-4                    | 4-8                     |
