

SPAIN™

SPORTS TURF PAINT

Designed to enhance and extend aesthetic sports turf appearances.

SPAIN™ is a turf paint that provides a natural green UV stable color to any sports turf surface. **SPAIN™** is ideal for high impact sports fields of any kind and is designed to resist staining of clothing once it has been allowed to dry on the turf. One gallon of **SPAIN™** can treat 4,000 to 12,000 square ft. of turf when mixed as directed. Use as a standalone turf enhancer or with actives. If Spaint is mixed with pesticides, the entire mixture, including rinsate, must be handled and disposed of according to all applicable local, state, and federal guidelines. A jar test is recommended when mixing any product with Spaint. Maintain constant agitation during batching and during spray application. **SPAIN™** is also ideal for **Dormant Turf Programs**.
