

Brandt® Big Foot® Foamy

Foam Marker

Principal Functioning Agents:

Sodium alkyl polyoxyethylene sulfate, Cocamidopropyl betain, Sodium lauroyl sacrosinate, and Sodium pyroglutamate	40%
Constituents ineffective as spray adjuvant	60%
Total	100%

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes skin irritation and serious eye irritation. Harmful if swallowed or inhaled. Avoid breathing vapors or spray. Use only outdoors in a well-ventilated area. Wear protective eyewear and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Avoid release to the environment.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

IF ON SKIN: Wash with plenty of soap and water. If skin irritation occurs, get medical attention.

IF SWALLOWED: Rinse mouth. Call a poison center or doctor if you feel unwell.

Net Contents: 1 gallon (3.78 L)
Packaged 4 x 1 gallon (3.78 L)

06020BRN101
2017-05 (GHS)

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Store away from incompatible materials. Dispose of contents/container in accordance with local regulations.

DIRECTIONS FOR USE

BRANDT BIG FOOT FOAMY reduces overlapping and skipping of areas when spraying liquid pesticides or fertilizers. When used with a simple process activated by air pressure, this product is dropped in foamy balls along the edge of the spray area.

Use one gallon of BRANDT BIG FOOT FOAMY to 50-90 gallons of water (1.5-2.5 fl. oz. per gallon) for thick, rich foam. Adjustments to ratios may be made depending upon water hardness. Due to the fact that foam generating tanks vary in size, the following formula (based on the 1% rate) will make calculating easy:

Tank Size (gal) x 1.28 = oz. per tank of BRANDT BIG FOOT FOAMY.

Fill foam generating tank half full of water. Add BRANDT BIG FOOT FOAMY and then finish filling tank with water.

WARRANTY: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
