

Brandt® 11-8-5

Foliar Nutrient

Guaranteed Analysis

Total Nitrogen (N).....	11.00%
2.4% Ammoniacal nitrogen	
1.4% Nitrate nitrogen	
7.2% Other water soluble nitrogen	
Available Phosphate (P ₂ O ₅).....	8.00%
Soluble Potash (K ₂ O).....	5.00%
Copper (Cu).....	0.05%
0.05% Chelated copper	
Iron (Fe).....	0.10%
0.10% Chelated iron	
Manganese (Mn).....	0.05%
0.05% Chelated manganese	
Zinc (Zn).....	0.05%
0.05% Chelated zinc	

Derived from ammonium polyphosphate, potassium nitrate, urea, copper EDTA, iron EDTA, manganese EDTA and zinc EDTA. F76

General Information

BRANDT 11-8-5 provides highly available plant food for foliar feeding and is compatible with most pesticides for combination spraying. It is primarily intended to stimulate early season plant growth. Follow recommendation of local agricultural authorities for specific rates and timing.

Rate Recommendations

Field, Row, Vegetable Crops: Apply 1-2 quarts per acre in at least 20 gallons water per acre for ground sprayers or 3 gallons for aircraft. Repeat as needed.

Fruit, Tree and Vine Crops: Apply 2 quarts per acre in at least 100 gallons water per acre with conventional sprayers, 40-100 gallons with concentrate sprayers, or 10 gallons for aircraft. Repeat as needed. On waxy foliage or smooth skinned fruit, add sufficient spreader for smooth wetting to avoid spotting.

Turf (For Professional Use Only) and Ornamentals: Apply 1-2 quarts per acre (0.75-1.5 fl oz per 1,000 sq ft) in sufficient water for thorough coverage. Repeat as needed.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

Net Contents: 2.5 gallons (9.46 liters)

Density: 10.18 lb/gal @ 68°F

Net Weight: 25.2 lb (11.4 kg)

Packaged: 2 x 2.5 gallons (2 x 9.46 liters)

Mixing and Handling Instructions

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application. Make test applications on a few plants if using combinations not known to be safe. To avoid phytotoxicity, do not apply with copper or lime-sulfur fungicides, or during bloom.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices.

In Virginia, this lawn fertilizer, which contains phosphorous, is intended only for nonagricultural use on (i) turf during its first growing season, (ii) turf areas being repaired or renovated, and (iii) turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not intended for the routine maintenance of turf.

Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the label.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

WARNING: Causes serious eye irritation.

Precautionary Statements: Wear eye/face protection. Wash thoroughly after handling. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of waste and residues in accordance with local authority requirements.

WARNING: Cancer and Reproductive Harm- www.P65Warnings.ca.gov

LIMITED WARRANTY: Brandt Consolidated, Inc. ("BCI") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. BCI and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, BCI and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
