

Brandt™ Flash Dance

Iron Supplement for Flash Greening

1-0-0

No Phosphate Fertilizer

Guaranteed Analysis

Nitrogen (N)	1.0%
1.0% Urea nitrogen	
Iron (Fe)	5.0%
5.0% Water soluble iron	

Derived from urea and ferrous sulfate.

General Information

BRANDT FLASH DANCE is designed for an instant greening effect prior to tournament play. Applied foliarly, this product will initiate an immediate greening effect triggered by the highly soluble sulfate form of iron. BRANDT FLASH DANCE is safe for use on all fine turfgrasses when used as part of a balanced fertility program.

Rate Recommendations

For professional use, apply 3 fl. oz. per 1,000 sq. ft. of actively growing turf. For best results, apply early morning or late afternoon. Allow spray to dry before irrigation to insure foliar uptake. At least two applications are recommended, especially if clippings are removed. Use a minimum of one gallon of water per 1,000 sq. ft. to ensure adequate coverage.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

Net Contents:

2.5 gallons (9.46 liters)

Density: 10.5 lb/gal @ 68°F

Net Weight: 26.0 lb (11.7 kg)

Mixing and Handling Instructions

Fill spray tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until spray solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

WARNING: Causes serious eye irritation. Causes skin irritation. Harmful if swallowed.

Precautionary Statements: Wear eye/face protection and protective gloves. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. *If eye irritation persists,* get medical attention. *If on skin:* Wash with plenty of water. Take off contaminated clothing and wash before reuse. *If skin irritation occurs,* get medical attention.. *If swallowed:* Rinse mouth. Call a doctor if you feel unwell. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local regulations.

LIMITED WARRANTY: Brandt Consolidated, Inc. ("BCI") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. BCI and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, BCI and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
