

GRIGG® MICRO BURST™

RATE RECOMMENDATIONS FOR PROFESSIONAL USE ONLY

To prevent or correct nutrient deficiencies, apply GRIGG MICRO BURST as a foliar spray early in the morning or late afternoon. Allow 3-6 hours for drying time before irrigation. Best to apply after mowing.

Cool or Warm Season Grasses: Apply 2-4 fl oz per 1,000 sq ft or 0.75-1.25 gal per acre [7-13 L per hectare] as needed every 7-14 days.

Make frequent applications at lower rates, or apply higher rates at times of greater plant demand. Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendation.

MIXING AND HANDLING INSTRUCTIONS

Agitate before use. Apply in 1-2 gal of water per 1,000 sq ft (44-88 gal of water per acre) [400-800 L of water per hectare]. Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

NOTE: This product may stain. Keep off unwanted areas such as sidewalks, patios, driveways, fences, painted areas. As a precaution, wash off unwanted areas with water immediately after application.

Net Contents: 2.5 gallons (9.46 liters)

Density: 11.8 lb/gal @ 68°F
Net Weight: 29.2 lb (13.2 kg)

GRIGG Proven Follar™ is the turfgrass industry's premier foliar nutrient line backed by years of innovation, research and proven results.

Research Driven,
Proven Results®

ATTENTION: This product contains boron; use on any crops other than those recommended may result in serious injury to the crops. The application of fertilizing materials containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

Information about the components of this lot of fertilizer may be obtained by writing to Brandt Consolidated, Inc. and giving the lot number which is found on the container or label.

WARNING: Causes eye and skin irritation.

Precautionary Statements: Wear protective gloves. Wash thoroughly after handling. **First Aid:** *If in eyes:* Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. *If eye irritation persists,* get medical attention. *If on skin:* Wash with plenty of water. Take off contaminated clothing and wash before reuse. *If skin irritation occurs,* get medical attention. **Storage and Disposal:** Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local authority requirements.
